I would like to join your team...

I am writing regarding possible employment with your organization. Armed with degrees in the Graphic Arts and excellent real world experience, I have successfully developed creative strategies in design and layout, prepress, and visual communications. I have developed a high degree of originality and creativity, while constantly evolving my skills to maintain the highest standards of professional excellence. I have been in the business of Graphic Communications for many years and have a very strong print background and excellent conceptual and design skills.

My Qualifications:

- *Ability to effectively and positively work independently or within teams
- *Proven ability to interpret, implement and defend company/corporate brand
- *Excellent conceptual and collaborative skills
- *Ability to take original design concepts to visual comps
- *Outstanding visual style and eye for professional design
- *Attention to detail
- *Solid sense of typography, layout, color, imagery, and inter activity to positively impact designs
- *Ability to execute solutions, based on objectives and audience, under tight deadlines.

Technical:

- *Proficient on both Mac and PC platforms
- *Proficient in Adobe Creative Suite (expertise Illustrator, Photoshop, and Indesign)
- *Proficient with Microsoft Office Suite
- *Solid working knowledge of various web content
- *Comprehensive understanding of user experience, online industry standards and terminology
- *Effective and efficient Internet research skills
- *Expert production art skills (expertise print production-offset, digital and flexographic)

Professional:

- *Excellent communication skills - written and verbal
- *Organized and effective time manager
- *Able to juggle multiple projects, work effectively under pressure, and meet tight deadlines
- *Highly self-motivated, independent, responsible, and accountable
- *Team player
- *Ability to maintain a professional relationship with clients, coworkers, and management
- *Forward thinking with the ability to solve problems and resolve issues quickly

****Portfolio - Will Email to you upon request.**

Thank you for your time.

Sincerely,
James T. Robinson
